Good Afternoon Scott,

I apologize for not following up on our phone conversation sooner. If possible, I would like to attend the dinner for The Heritage Foundation's President Club with my husband this evening.

I used to work at Heritage before coming to DOI. My husband currently works there, and he has invited me to attend this event with him.

President's Club is Heritage's annual event for donors who give \$1,000 annually. Members of the Young Presidents Club, for people under 30, give \$250 a year.

I am not sure of the plated cost for this dinner. I am ccing Lauren Kuhn, who may be able to get this information for you. Since she is managing the event, however, she may not be checking her email however.

Here is the link for the event: <https://www.heritagepcm.org/>

Please let me know if there is any other information you need that I can try to get for you.
